Hello World 2

What you will need for this exercise

- Free ChatGPT account (www.chatgpt.com)
- Download and Install Sublime Text (https://www.sublimetext.com/download)
- Create an **ai-projects** folder in your computer

Individual Exercise

Ask ChatGPT (or your LLM of choice):

Make changes to my Hello World page: add a button that will change background color and make the 'Hello World' bounce around the page. Keep as a single-file HTML, JavaScript, CSS.
